

Gutter Master™ 2050

- AUSTRALIAN MADE
- NEW GENERATION ROOTS BLOWER SYSTEM
- INDUSTRIAL GRADE PERFORMANCE
- 3 YEARS WARRANTY ON ENGINE*

AUSTRALIA'S MOST POWERFUL GUTTER VACUUM SYSTEM

The Gutter Master™ 2050 is our latest model in our range of Australian designed and manufactured vacuum systems. This vacuum has been specifically designed for the most demanding jobs for hose lengths of up to 100 Metres.

The Gutter Master™ 2050 is a COMPACT Industrial Grade trailer and or utility mounted vacuum system that will fit onto an alloy tray utility or a 8 x 5 single axle trailer.

Whether you want to vacuum a roof gutter channel, roof cavity dust, pressure washer run off, slurry and even pit cleaning, the Gutter Master™ 2050 will provide the vacuum power you require.
