

KV650H

Ideal for residential or smaller commercial property maintenance, Billy Goat's versatile 27" wide lawn and litter vac has variable height adjustment for hard surface or turf work. 12" tires on the push unit and rear wheel drive on the self-propelled unit make operation simple even in hilly turf environments. Optimized nozzle configuration improves suction and debris flow and handles hedge clippings with ease.

KV self-propelled model shown with optional 4"x8" hose kit. Ideal for cleaning between shrubs, under decks, window wells, utilities and other hard to reach areas.

KV650SPH

Integral dust skirt keeps dust down and away from the operator. **Optional felt bag** is available for better dust control

Hard bottom breathable mesh zipperless bag uses two easy open fasteners for long life and simple unloading. Bottom loading

New single speed rear self-propelled is great in hilly turf applications (KV650SPH)

5-blade serrated impeller maximises both suction and debris reduction

Optional hose kit with telescoping handle is ergonomic and great for cleaning hard to reach places

The caster kit and nozzle wear kit increase maneuverability and help protect your investment against wear on hard surfaces (Optional)

Optional Shredder Screen Kit

Optional liner sleeve protects housing in sandy conditions

The weatherproof cover is ideal for protecting your machine from the elements. (Optional)
